

**INTERNATIONAL RELATIONS THEORIES**  
**IR 2209**

The students are given **three** assignments during the semester. The deadlines of the assignments are announced at the beginning of the semester. Students have to submit all three assignments without missing any of them in order to get one letter grade up or down (+/-) of their mid term exam grade.

The assignments have to respect the following criteria as a whole in order to be evaluated as successful. If any of the criteria is missing the assignments are evaluated as unsuccessful.

- ✓ **Relevancy of the content with proper academic research**
- ✓ **Bibliography and correct academic citing**
- ✓ **Submission on time, before the deadline**
